F.W.A.F.D.

The Friendship Ambulance Service, owned and operated by the Women's Auxiliary to the Fire Department, responded to forty-seven calls in 1980. Thirty-nine calls required transportation. There was one auto accident, four home accidents and three miscellaneous accidents.

In a recent meeting the members of the W.A.F.D. voted to discontinue transfers from hospital to the home. We realize that this is an inconvenience to some town people but the ambulance is an emergency vehicle and we feel that this service keeps the ambulance away from town too long.

A new C.P.R. board was purchased for the ambulance plus other supplies throughout the year.

We have seven licensed ambulance attendants at this time.

A home Health-Wise Course was sponsored by the W.A.F.D. with an attendance of eighteen.

Monthly practice sessions were held at the Fire Station. Plans are being made to hold a First Aid Course and a C.P.R. Course for 1981.

Several fund raising activities were held in 1980; a Rummage Sale, two chicken barbecues and food sales. These were all successful. We will continue fund raising activities for the coming year.

We would like to express our appreciation to the people for their support and donations.

The ambulance Service can be reached by calling the Emergency Phone Number, 832-7520.

Friendship Public Library

Our circulation continues to grow. 9,535 books were loaned in 1980, the library also loaned 1,601 magazines, 598 newspapers and 74 redords. These figures do not include books of reference, magazines and papers used on the premises.

The library purchased 166 books and 128 books were donated. Many of these books and some of the magazines were given as memorials. These gifts were greatly appreciated. There are also available approximately 35 magazines and 3 newspapers.

Special book marks were purchased and given to the school children in observance of "National Library Week" and "Children's Book Week". Story hours for children were held and a visit to the Library by school children, accompanied by their teachers was arranged to acquaint them with the library.

The library offers its service free and is open year round the following hours except for a short time during the winter when it is only open afternoons.

The library is open:

Monday nights	6:00 to 9:00 PM

House of Representatives

TO THE CITIZENS OF FRIENDSHIP:

The 110th Legislature is now in session. As your state representative, I hope you will keep up on what is happening at the legislature and express your opinions to me from time to time on issues and bills in which you have an interest.

The state's budget crunch is worse than ever and we will be asked to make some hard choices about where government spending should be reduced. I need your advice.

Your participation in government need not be complicated. For every proposal submitted to the legislature, a public hearing is held to enable citizens and interest groups to give their opinions on the need - or lack of need-for that particular proposal. Notices of these hearings are provided by me to your town office on a weekly basis.

If you cannot go to Augusta to offer your opinions directly, please feel free to share those opinions with me. This can usually be done for quite some time after the public hearing date. During the legislative session, I can be reached (toll free) at 1-800-452-4601. When the legislature is not in session, pleases call me at home (594-9263) or at the State House (289-2866). All comments are needed, welcomed and appreciated.

Sincerely,
Bonnie Post
State Representative

Article 21. In the March 18th, 1980 Meeting, Article 17 in the Warrant was "To see what the Town will vote to do with the Armstrong Memorial Hall". It was voted to have the Selectmen see what could be done and report back in a Special Town Meeeting. It took longer to get results than was anticipated.

The Selectmen and Library Trustees with Mr. Robert Armstrong, Jr. had a architect, Mr. Christopher Glass look the Hall and Library over and draw plans. We had bids out for renovation. All bids were rejected, either being too high or not in conformity with the Committee

opinion. The Selectmen and Library Trustees then decided what would be cheaper to do and give sufficient space. First to have a concrete foundation under the Hall part, with garage doors in the end wall. This would give storage space for road equipment, and so forth. Then have the roof taken down; lowering the posts (studs) down to ten feet, and rebuilding the roof. Have insulation over the ceiling and in the side walls. Renovate the inside to make it suitable for a Library. Have the present Library part demolished, and grading the area for parking.

What action will the Town take on the foregoing suggestion, and what sum of money will they raise, appropriate or borrow for the same.

Article 24. To see if the Town will vote to appropriate from Federal Revenue Sharing Trust Fund the sum of $8,595.00 for the Hahn Community Center, to be used for operation of the building.

Article 25. To see if the Town will vote to appropriate from the Federal Revenue Sharing Trust Fund the sum of $1,415.80 to be used for operation of the Public Library.

Article 26. To see if the Town will vote to appropriate from Federal Revenue Trust Fund the sum of $1,000.00 to update the tax maps and to have an appraisal of new buildings.

The Registrar of Voters will hold office hours while the polls are open to correct any error in or change a name on the voting list; to accept the registration of any person who becomes 18 years of age on election day; to accept new registrations and new enrollments. But, the Registrar of Voters will not accept registration during Town Meeting.
